Volunteer Experience

Jordanians Volunteer Group.

- *Active member*

Amman, Jordan
Jun 2011 – May
2013

A nonprofit organization aiming to spread the culture of continuity in voluntary work in the Jordanian society by generously donating time and effort. Through weekly activities the group serves the elderly, Orphans, Cancer patients, Victims of war and children of domestic violence. My involvement with this group was primarily field work during many of their organized events and in different settings.

The International Federation of Medical Students

Amman, Jordan

. *Active member of the standing committee of Human rights and peace*

- Project Co-leader, world diabetes day, November/2012.
- Project co-leader, world heart day, September/2012.
- Project co-leader, operation hope (multi-step project precisely targeting Syrian refugees in Jordan, awarded as the best student project in the Eastern Mediterranean Regional meeting), 2012 - 2014.
